PROFILE

I am a very fast-learning, professional, hard-working, and talented Video/Film Editor with a wide knowledge and experience in many fields of creative technology. If there is something that I don't know I'm sure I know how to find or figure it out. Usually anything software related is my specialty. No matter what the category of software, I can figure out how to use nearly any software quite quickly.

PERSONAL SUMMARY

- Strong attention to detail and problem solving skills.
- **14 years** expert experience with Windows based computers; software and hardware.
- **5 years** expert experience with Mac based computers; software and hardware.
- **11 years** experience with Microsoft Office.

- Experience with Adobe Photoshop Lightroom 2 and 3
- Brief experience with Magic Bullet Looks Software.

EXPERIENCE

Cinematographer/Editor, 2008-2009

Davis Communications Inc., Debra Sharon Davis - Westlake Village, CA

Job Description:

- Helped plan, film, and edit multiple shoots. We filmed using two Canon XH-A1 HDV Camcorders and edited on Final Cut Studio 2.

Videographer/P2 Card Importer/Production Assistant, May 2009

Shakespeare High, Alex Rotaru - Reseda, CA

Job Description:

- I volunteered to work with a team of filmmakers covering the DTASC Festival that took place at Reseda High School in Reseda, CA.
- Overall helped with anything that needed to be done.
- Covered multiple sessions of the DTASC festival using a Canon XH-A1 HDV Camcorder and a Canon HV30.
- I imported, reformatted, and returned the P2 Cards the other videographers were finished with.

Editor/Cinematographer/Director, July-August 2009

"Lonely Pillow" Music Video, Donald Washbrook - Lake Hughes, CA

Job Description:

- Filmed, edited, and directed a Country genre music video for the song "Lonely Pillow" by Donald Washbrook.
- We filmed outside of Lancaster using a Canon XH-A1S HDV Camcorder.
- I edited the film on Final Cut Studio 2.

Assistant, October 2010 Present

Dellamoda Inc., Kami Chamas - Tarzana, CA

Job Description

- Worked with X-Cart to update the store's website.
- Used Yahoo's Small Business Software to update the store's website and manage it.
- Shot (using a Canon EOS Rebel XS), Imported, Cleaned Up (using Photoshop CS3-CS5 & Lightroom 3) still photo's of incoming products to be listed on the website.
- Used Quickbooks to input, edit, and track inventory.

- All work done on Mac OS X Leopard and Snow Leopard loaded iMacs and MacBook Pros.
